EXPERIENCE

BIT ICONIC PVT LTD

Mobile Application Developer Intern

Aug 2025 – Nov 2025 | Lalitpur, Nepal

- **Development:** Built two Flutter applications from scratch following clean architecture principles.
- **Code Optimization:** Refactored an existing production app to improve performance, readability, and maintainability.
- **Backend Integration:** Implemented REST API integration for dynamic data handling and backend communication.
- **Team Collaboration:** Used Git/GitHub for version control, peer code reviews, and team collaboration.

PROJECTS

GADGET SHOP

Flutter, Firebase, Provider | 2024

- Developed a full-stack e-commerce application with user authentication, real-time product synchronization, and a persistent shopping cart.

NEWS APP

Flutter, REST API, Dio, SQFlite | 2024

- Built a responsive news reader fetching real-time data from external APIs, with offline article caching using SQFlite.

EXPENSE TRACKER

Flutter, SharedPreferences | 2024

- Created a simple expense tracking application for managing daily expenses with title, amount, date, and category.
- Implemented Light and Dark mode support using theme switching functionality.
- Designed an intuitive user interface with card-based layout for expense listings.
